

**Department for Medicaid Services  
Frankfort, Kentucky**

Innovative and exciting employment opportunities are available at the Department for Medicaid Services (DMS), Cabinet for Health and Family Services. As the Department for Medicaid Services continues to examine use of Managed Care models to improve health outcomes and contain healthcare costs, DMS is building a team of qualified and experienced managed care professionals in the specific areas of management, financial examination, quality assurance, statutory accounting, actuary services, data collection, and auditing. Enhance your professional future by taking advantage of this opportunity to gain invaluable experience serving in the public sector and healthcare arenas.

DMS is currently seeking a **Policy Advisor**

**GENERAL JOB DUTIES:** This non-merit appointed position will oversee the operations of the Department for Medicaid Services' Managed Care Oversight Branch. The selected candidate must have substantial professional experience in healthcare including health insurance regulations, quality assurance, and administration. The selected candidate must also have experience in contract management and management of professional staff.

**Additional Requirements:** Applicants and employees in this classification may be required to submit to a drug screening test and background check.

**SALARY:** Negotiable

The successful candidate will enjoy liberal employment benefits including health and life insurance, paid holidays, vacation and sick leave, retirement and an optional deferred compensation program.
